**WALKING TOUR OF AMSTERDAM** • Get your bearings on a walk around town with your tour director. Expect tall skinny houses, tulips in the window boxes, and people on bikes everywhere you look.

### DAY 3 AMSTERDAM

#### SIGHTSEEING TOUR OF AMSTERDAM (TOUR DIRECTOR)

• Your tour director will lead a sightseeing tour of Amsterdam. Get a feel for the city's history and culture as you walk through busy Dam Square. Then take in scenic views of the Amstel River before finishing up in Rembrandtplein, a bustling square packed with outdoor cafés, shops and clubs.

## DAY 6 PARIS

**SIGHTSEEING TOUR OF PARIS (LOCAL GUIDE)** • Go on a sightseeing bus tour around Paris. A local guide will tell you all about the city as you see its most well-known sights. Drive down the Champs-Élysées and see the Arc de Triomphe. You'll also stop at the Eiffel Tower to take some photos. The Tower was built in 1889 for the World's Fair and was supposed to be torn down afterwards—when they realized it was useful for radio communication, they decided to keep it.

**OPTIONAL EXCURSION TO VERSAILLES** (extra cost) • Spend the afternoon at the over-the-top palace of Louis XIV. Not far from Paris, this is where French royalty reveled in

their extravagant lifestyle in the decades before the Revolution. At one point, a thousand nobles were attended by 4,000 servants inside the palace, while 15,000 soldiers and servants lived in the annexes. Walk through the landscaped gardens, tour the State Apartments of the King and the Queen, and see the Hall of Mirrors.

**EVENING SEINE CRUISE AND EIFFEL TOWER** • Float past Notre Dame Cathedral and under some of Paris's famous bridges. Then go up to the top of the most famous tower in the world for panoramic views of the city all lit up at night.
